An Advocate for Every Child.

We are dedicating CASA of Chautauqua County to a very simple goal: to change a child's story for every abused or neglected child in Chautauqua County. We invite you to join us in this effort.

With your help, we can reach this goal. We do not need to invent a new concept because we already know what works. Put a qualified, compassionate adult into the life of an abused child to fight for and protect the child's right to be safe, to be treated with dignity and respect, and to learn and grow in a loving family.

We believe that all children in foster care should have a caring adult advocating on their behalf. Every child should have someone whose full attention is focused on that child's needs and who can help the system provide the right kind of support. Many compassionate and caring professionals—Judges, lawyers, social workers—work within state child protection systems. Too often they simply have too many children on their caseloads and not enough time to pay adequate attention to each child.

We are very proud of the fact that CASA volunteers are now helping to lift up the voices of almost 50 children a year. However, we still have more work to do.

Through sponsoring our **"15th Annual Come to the Table"** auction, your voice can be one of the compassionate and caring voices lifting these children up. Together, we will change the world for every abused and neglected child; change the future for their children and generations to come.

We personally invite you to the **"15th Annual Come to the Table"** auction, which will be held in-person on Thursday, May 11 at The Chautauqua Suites in Mayville, NY. Your support and generosity will change a child's story for our CASA children, and will mean the world to our CASA volunteers, CASA staff and our community as a whole.

Sincerely,
